European Territories under Article 355(3) TFEU

* Please note that, in the interest of transparency, if a competent authority continues to intend to comply after the application date, it will be considered “non-compliant” unless (A) the guidelines or recommendations relate to a type of institution or instruments which do not currently exist in the jurisdiction concerned; or (B) legislative or regulatory proceedings have been initiated to bring any national measures necessary to comply with the guidelines or recommendations in force in the jurisdiction concerned.

**[Please select one of Options A, B or C below, depending on whether the underlying legal acts have been incorporated in the EEA Agreement.]

[**Option A (all underlying legal acts have been incorporated in the EEA Agreement.)**] The competent authorities of the EEA States other than the Member States of the European Union are required to notify their compliance with ESMA’s guidelines or recommendations relating to a legal act that has been incorporated in the EEA Agreement. This compliance table reports on guidelines relating to Regulation (EU) No 909/2014, which has been incorporated in the EEA Agreement.

[**Option B (none of the underlying legal acts have been incorporated in the EEA Agreement.)**] The competent authorities of the EEA States other than the Member States of the European Union are required to notify their compliance with ESMA’s guidelines or recommendations relating to a legal act that has been incorporated in the EEA Agreement. This compliance table reports on guidelines relating to the Regulation (EU) No 909/2014, which has not yet been incorporated in the EEA Agreement. This table is therefore based on information provided from those competent authorities of the EEA States on a voluntary basis.

[Option C (some but not all of the underlying legal acts have been incorporated in the EEA Agreement).] The competent authorities of the EEA States other than the Member States of the European Union are required to notify their compliance with ESMA's guidelines or recommendations relating to a legal act that has been incorporated in the EEA Agreement. This compliance table reports on guidelines relating to the Regulation (EU) No 909/2014, which has been incorporated in the EEA Agreement. This compliance table also reports on guidelines relating to the Regulation (EU) No 909/2014 which has not yet been incorporated in the EEA Agreement. This table is to that extent based on information provided from those competent authorities of the EEA States on a voluntary basis.

Notes

Article 16(3) of Regulation (EU) No 1095/2010 (the ESMA Regulation) requires national competent authorities to inform us whether they comply or intend to comply with each set of guidelines or recommendations we issue. If a competent authority does not comply or does not intend to comply it must inform us of the reasons. We decide on a case by case basis whether to publish reasons.

ESMA endeavours to ensure the accuracy of this document, however, the information is provided by the competent authorities and, as such, ESMA cannot accept responsibility for its content or any reliance placed on it.
