

Call for expression of interest

Consultative Working Group of ESMA's Investment Management Standing Committee

Background

1. ESMA is very active in the area of investment management and seeks to contribute to the development of a single rulebook and to the strengthening of common supervisory approaches and practices across Member States. The Investment Management Standing Committee (IMSC) of ESMA plays a key role in ESMA's work in this area.
2. The two-year term of the current Consultative Working Group (CWG) for IMSC will expire shortly. Therefore, ESMA is today launching the process to renew the composition of the IMSC CWG. In accordance with the "Procedures for ESMA groups", the selection of CWG members is based on an open call for candidates, which is published on the ESMA website. The relevant extracts of those Procedures for CWGs are set out in the Appendix.

IMSC

3. ESMA's work relating to the activity of collective investment management covers principally the Directives on Undertakings for Collective Investment in Transferable Securities (UCITS) and Alternative Investment Fund Managers (AIFMD), as well as the Regulations on European Venture Capital Funds (EuVECA), European Social Entrepreneurship Funds (EuSEF), European Long-term Investment Funds (ELTIFs) and, shortly, Money Market Funds. IMSC's work with respect to these legal frameworks covers such issues as marketing and distribution, conduct of business, product disclosures and transparency, valuation, eligible assets, asset safekeeping and risk management. In the UCITS context, particular regard is had to investor protection, in line with ESMA's objectives more generally.
4. ESMA also develops technical advice to the European Commission, and prepares technical standards, guidelines and recommendations in relation to the aforementioned legislative acts. In addition, ESMA builds a common supervisory culture by fostering convergent supervisory approaches and practices, such as through the development of opinions and Q&As.

II. EXTERNAL CONSULTATIVE WORKING GROUPS

1. ESMA groups reporting to the Board of Supervisors may establish Consultative Working Groups (CWGs) in order to benefit from the expertise of market participants who are specialised in the specific area for which the group is responsible. The purpose of CWGs is to provide advice to the ESMA group during the course of developing a policy line in relation to specific technical matters, or to give a view on specific aspects of the proposals. The role and responsibilities of CWGs are without prejudice to those of the Securities and Markets Stakeholder Group.
2. CWG members are selected following an open call for candidates published on the ESMA website, including advice from members of the Board of Supervisors and the Standing Committee, with a final selection being made by the Executive Director in consultation with the relevant Head of Division/Unit of ESMA and the Chair of the relevant group. CWG members are appointed on a personal basis. Members of the CWG may be removed upon decision of the Executive Director in consultation with the Chair of the relevant group.
3. Terms of reference of CWGs are given in Annex 1.

Annex 1

These Terms of Reference are without prejudice to the role and responsibilities of the Securities and Markets Stakeholder Group.

Terms of Reference of Consultative Working Groups

1. The purpose of the Consultative Working Group (CWG) is to provide technical assistance to ESMA in relation to all aspects of a particular group's work, such as the preparation of draft regulatory and implementing technical standards, Article 16 guidelines and the delivery of advice to the European Commission on the delegated and implementing acts required under a Directive/Regulation. The group is formed under the terms of ESMA's Public Statement on Consultation Practices (ESMA/2011/11). The CWG should be composed of market participants, consumers and end-users. Members of the CWG are selected according to the procedure set out in Section II of the Procedures for ESMA groups. The composition of the CWG is made public.
2. In meeting the above purpose, the group may be called upon to provide input at all stages of the policy formulation process.
3. In meeting the above objectives, the ESMA group and the CWG will apply the following principles.

A) Members of the CWG will have:

- i. Access to evolving thinking of the ESMA group, including of any specific issues causing difficulty.
- ii. The possibility to express their views to the ESMA group. Members of the ESMA group will be encouraged to attend meetings of the CWG.
- iii. A work plan, including the dates of the main meetings of the CWG for the year ahead. Additional meetings can be called either at the request of members of the CWG or of ESMA. Meetings are called by the Chair of the ESMA group in consultation with the rapporteur.
- iv. The support of ESMA staff and the contact details of all members of the relevant ESMA group.

B) ESMA can expect the following from the members of the CWG:

- i. Members will provide their independent expertise and not lobby for specific national or institutional positions. Members of the CWG are appointed and participate in their personal capacity.
 - ii. Practical examples to illustrate the implications of policy proposals.
 - iii. A sounding board that is prepared to provide alternative solutions and not just identification of problems.
 - iv. That all information provided by ESMA will be handled with due confidentiality and not circulated to third parties. That members will endeavour to make themselves available both to attend meetings and provide timely written submissions where required.
 - v. The identification of specific issues that might require a subset of the CWG to consider.
 - vi. ESMA may call on additional experts where appropriate.
4. The final output of the work-stream is under ESMA's authority and is without prejudice to the opinion of the CWG.

5. Members of the CWG are selected for a renewable term of two years.
6. Members of the CWG should make clear in their professional engagements that they are not representatives of ESMA.
