### ESMA registers DBRS Ratings GmbH as credit rating agency

The European Securities and Markets Authority (ESMA), the EU's direct supervisor of credit rating agencies (CRAs), has registered today DBRS Ratings GmbH (DBRS RG) as a CRA under the CRA Regulation. The registration takes effect from 14 December 2018. DBRS RG is based in Germany and intends to issue:

- sovereign and public finance ratings;
- structured finance ratings; and
- corporate ratings of financials and non-financials

DBRS RG belongs to a group of CRAs and intends to endorse ratings issued by third-country CRAs of the group, based in the United States and Canada. Those CRAs are registered by and are subject to the supervision of the respective local competent authorities.

#### The CRA Regulation

The CRA Regulation seeks to ensure that credit ratings issued in the EU respect minimum standards of quality, transparency and independence by providing that only companies registered by ESMA as CRAs may lawfully issue credit ratings which can be used for regulatory purposes by credit institutions, investment firms, insurance and reinsurance undertakings, institutions for occupational retirement provision, management companies, investment companies, alternative investment fund managers and central counterparties.

In order to be registered as a CRA, a company must be able to demonstrate to ESMA that it can comply with the requirements of the CRA Regulation, including, most importantly, on:

- the governance of CRAs and the management of conflicts of interest;
- the development and application of methodologies for assessing credit risk; and
- the disclosure of information to ESMA and to market participants.

Once registered, CRAs are subject to on-going supervision and monitoring by ESMA to ensure that they continue to meet the conditions for registration. ESMA will impose

sanctions and/or penalties where it finds that a CRA has failed to meet its obligations under the CRA Regulation.

The total number of CRAs registered in the EU is 27 CRAs. Amongst the 27 registered CRAs, four operate under a group structure, totalling 19 legal entities in the EU, which means that the total number of CRA entities registered in the EU is 42.
