Language of the benchmark statement (ESMA70-145-114_Q&A 7.3)

Question

In which language benchmark statements should be published?

ESMA Answer

26-09-2018

Original language

ESMA believes that benchmark statements should be published in a language that is accepted by the NCA of the relevant Member State. Administrators are clearly free to publish the benchmark statements also in other additional languages for commercial reasons.
