### **Answer provided by the European Commission in accordance with Article 16b(5) of the ESMA Regulation**

In relation to the definition of ‘profit estimate’, laid down in of Commission Delegated Regulation (EU) 2019/980<sup>[1]</sup>, Article 1(c)<sup>[2]</sup>, quarter four reports which contain unaudited results for an annual financial period should be considered as interim financial information.

#### **Disclaimer:**

The answers clarify provisions already contained in the applicable legislation. They do not extend in any way the rights and obligations deriving from such legislation nor do they introduce any additional requirements for the concerned operators and competent authorities. The answers are merely intended to assist natural or legal persons, including competent authorities and Union institutions and bodies in clarifying the application or implementation of the relevant legal provisions. Only the Court of Justice of the European Union is competent to authoritatively interpret Union law. The views expressed in the internal Commission Decision cannot prejudice the position that the European Commission might take before the Union and national courts.
