Status: Published Answer Updated

Additional Information

Level 1 Regulation
Alternative Investment Fund Managers Directive (AIFMD) Directive 2011/61/EU

Topic
Costs and fees

Subject Matter
ESMA's guidelines on performance fees in UCITS and certain types of AIFs

Question
In case of creation of a new compartment/share class in an existing AIF in the course of its financial year or in case of creation of a new AIF, can performance fees be crystallised after less than 12 months from the date of creation of such a new AIF/compartment/share class (i.e.: the date in which the share class is launched/seeded)?

ESMA Answer

03-10-2024

Original language

[ESMA 34-32-352 AIFMD Q&A, Section 15, 8]

No. Performance fees, if any, should be crystallised after at least 12 months from the creation of a new AIF/compartment/share class. Moreover, paragraph 35 of the guidelines foresees that the crystallisation date should be the same for all share classes of a fund that levies a performance fee.
