[ESMA 70-872942901-36 Commodity derivatives Q&A, Q&A 4.1]

Article 57(1) explicitly introduces the possibility that positions are held on behalf of another entity for legal or operational reasons. In order to avoid double counting, such positions are only to be reported as the positions of the person on whose behalf they are held. They are not to be added to or netted against other positions held by the investment firm.
