## Original language

[ESMA70-145-111 MAR Q&A, Q&A 7.5]

The rationale of Article 19(1) of MAR is mainly to prevent insider dealing and to provide investors with a highly valuable source of information. A notification of entering into a remuneration package contract, according to which a PDMR is entitled to receive shares only upon the occurrence of certain conditions, is not covered by that rationale. Therefore, pursuant to Article 19(1) of MAR and Article 10(2)(i) of Commission Delegated Regulation (EU) 2016/522, the PDMR has to notify only upon the occurrence of the conditions and the actual execution of the transaction.
