Additional Information

Level 1 Regulation

Prospectus Regulation 2017/1129

Topic

Public offer

Subject Matter

Future incorporation by reference of financial information, which will be permitted once Article 19 PR is amended by the Listing Act

Question

Article 19(1b) of the Prospectus Regulation states that issuers may incorporate new annual or interim financial information by reference that has been published electronically.

If an issuer plans to use this facility how should this fact be reflected in the base prospectus?
