

Submission Date

21/08/2024

ESMA_QA_2258

Status: Forwarded to EC/Public Consultation/Other

Additional Information

Level 1 Regulation

Prospectus Regulation 2017/1129

Topic

Public offer

Subject Matter

Future incorporation by reference of financial information, which will be permitted once Article 19 PR is amended by the Listing Act

Question

Information that is incorporated pursuant to Article 19(1b) of the Prospectus Regulation will not have been considered by an NCA during the prospectus scrutiny and approval process. How will that interact with the NCA's approval statement which will be included in the base prospectus at the time of approval?
