Original language

Yes. Where multiple ERRs are affected and these ERRs correspond to sub-funds or entities managed by the same Management Company/AIFM, a single consolidated Errors and Omissions Notification may be submitted for ETDs.

The updated Errors and Omissions Notification includes a Boolean indicator allowing reporting counterparties to specify whether the issue relates to ETDs involving multiple ERRs. Where this field is marked as 'yes', the notification should include the relevant div of all affected ERRs.
