

Overview of planned consultation papers 2023

Cooperation and transparency are important for ESMA. ESMA therefore promotes strong stakeholder engagement with entities and individuals impacted by ESMA's activities. In line with the ESMA Regulation, ESMA conducts public consultations on proposed technical standards and guidelines.

The purpose of the below table is to provide an overview of the planned consultations to help stakeholders in planning ahead. The table will be updated by ESMA on a regular basis. A list of ongoing and past consultations is available on ESMA's website.
