

EU T+1 Industry Committee

Summary of Conclusions, Monday 28 July 2025

Taskforce Updates

Noting that the high-level roadmap recommended the establishment of a number of Taskforces in the below areas, the proposed Taskforce leads presented updates on the proposed members, mandates and workplans.

- SSI sharing/storage and format
- Partial settlements
- SFT settlement optimisation

Public Consultation

The Committee discussed the proposed plan for managing responses to the open consultation.

Communications

The Committee discussed the establishment of a communications taskforce and the development of a website.
