

EU T+1 Industry Committee

Summary of Conclusions, Monday 01 September 2025

Executive Summary:

The meeting centered on reviewing the progress and planning the next steps for the dedicated taskforces that have established, and timeline for delivery of next outputs. These outputs will include addendums to the High-level Roadmap (where necessary) and an Industry Playbook.

The Committee also discussed next steps regarding feedback received to the public consultation on the High-Level Roadmap and development of a testing plan and a market readiness survey. Additionally, an update was provided on the work of the Communications Taskforce, in particular in relation to the creation of a dedicated website.

Q4 2025 Priorities

Priorities for the fourth quarter of the year will include:

- Review of feedback on the High-Level Roadmap through consultation responses
- Develop and publish an addendum to High-level Roadmap where necessary
- Development of Industry Playbook
- Develop and launch a dedicated website for EU T+1 IC
- Develop and launch a Market Readiness Survey
