

The Committee of European Securities Regulators, CESR
11-13 Avenue de Friedland
F-75008 Paris
France

Copenhagen, 10 September 2010

CESR's Guidelines for the transition from the Simplified prospectus to the Key Investor Information document
CESR/10-672.

Danish Shareholders Association is looking forward to the introduction of the KII.

We would have liked to see all Simplified Prospectuses sent to the bin 1 July 2011 but we find the guidelines from CESR an acceptable and pragmatic approach.

Kind regards

Klaus Struwe
Political advisor to the Danish Shareholders Association
