

F. JAVIER ECHARRI

Private Equity and Venture Capital specialist with deep expertise in investor and institutional relations as well as business structuring and finance with emphasis in early stage companies.

Javier is a founding partner at the investor services firm LDS Partners in Luxembourg (www.ldspartners.com), board member at the Spanish growth capital fund management GED (www.gedcapital.com), member on the Advisory Council of CRECER+ (Business Angels initiative in the Basque Region www.crecermas.es) and Chairman of the Investors' Board of the Creative Business Cup (www.creativebusinesscup.com). Javier has advised the EU Commission, the Nordic Council of Ministers' KreaNord Initiative and the CBC on Early-stage investing at large. Javier is also advisor, investor and board member of several European and USA early stage companies and SMEs as well as impact investment funds.

Javier Echarri began his career in the Mondragón Group followed by the Spanish Trade Body for Machine Tool Manufacturers. In 1992 he was appointed Secretary General of the Spanish Chamber of Commerce in the Benelux. From 1995, he worked at the BBVA bank as Institutional Banking Director in charge of the European Union institutions.

In 1999 Javier joined the EVCA, The European Private Equity and Venture Capital Association, now called Invest Europe, and only a year later became its fourth Secretary General, a position he held until end-2010. For 10 years. As head of the EVCA, Javier Echarri undertook a multitude of projects to improve the situation, knowledge and perspectives of entrepreneurship at large and the positive contribution of private equity and venture capital to those companies as well as to the investment programs of major investor types.
