Memorandum of Understanding on the cooperation of ESMA and the Securities and Futures Commission of Hong Kong for the supervision of the Credit Rating Agencies
The Securities and Futures Commission ("SFC") and the European Securities and Markets Authority ("ESMA"), who are responsible for supervising Credit Rating Agencies ("CRAs") in their respective jurisdictions recognise in light of the cross-border activities of certain CRAs and the global nature of ratings generally, the importance of ongoing supervisory and enforcement-related cooperation in this area and considering in particular:

- that CRAs play an important role in global financial markets, as their credit ratings are used by investors, borrowers, issuers and governments as part of making informed investment and financing decisions;
- that many jurisdictions have determined that CRAs shall be regulated and have therefore introduced regulatory regimes to that end; and
- that the EU Regulation on Credit Rating Agencies ("EU Regulation") has introduced "endorsement" and "certification" mechanisms for the benefit of CRAs established outside the European Community. Both mechanisms require that cooperation arrangements are in place between SFC and ESMA.

have reached the following legally not binding understanding:

**Article 1 – Definitions**

For purposes of this Memorandum of Understanding ("MoU"), the following definitions apply:

1. "Authority" means any regulator responsible for supervising CRAs that is a party to this MoU.

2. "Assistance" means any activity conducted by a Requested Authority for the purpose of supporting a Requesting Authority in discharging its legal and regulatory duties and responsibilities in respect of CRAs and their ratings.

3. "Cooperation" means all kinds of
   (a) Co-ordination,
   (b) Ongoing Assistance, and
   (c) Assistance.

4. "Credit Rating Agency" ("CRA") means a legal person or a group of legal persons (group of CRAs) registered and regulated in any jurisdiction whose occupation includes the provision and /or issue of opinions regarding creditworthiness on a professional basis.

5. "Co-ordination" means consultation amongst Authorities on CRAs whether on an ad-hoc or periodic basis for the purpose of exchanging relevant supervisory information and agreeing if possible on common approaches of supervisory activity and enforcement action with regard to CRAs.

6. "Cross Border CRA" means a CRA or a CRA belonging to the same group which is identified for the purposes of this MoU as being such, as set out in Article 4 and which is subsequently agreed to be listed in Appendix B.
7. "Laws and Regulations" means all legally binding domestic, European, and international rules concerning the regulation and supervision of CRAs and groups of CRAs applicable in the jurisdictions of the Authorities, that fall within the competence of the Authorities.

8. "Ongoing Assistance" means all Assistance including the provision of information provided by one Authority to another Authority with or without a specific request.

9. "Requesting Authority" means the Authority making a request for Assistance under this MoU.

10. "Requested Authority" means the Authority to whom a request for Assistance is made under this MoU.

**Article 2 – General Principles**

1. This MoU sets forth the Authorities' intent to cooperate with each other to the fullest extent legally permissible in executing the Laws and Regulations applicable in the respective Authorities' jurisdictions in relation to the discharge of their responsibilities regarding CRAs. The Authorities recognise the importance and desirability of cooperation for the purpose of effectively supervising CRAs and enforcing, and securing compliance with, the relevant Laws and Regulations.

2. The provisions of this MoU do not create legally binding obligations or supersede legally binding domestic, European, or international rules.

3. This MoU does not authorise an Authority to take, or prohibit it from taking, measures other than those identified herein to obtain information necessary to ensure enforcement of, or compliance with, the relevant Laws and Regulations.

4. This MoU does not confer upon any person not an Authority, the right or ability, directly or indirectly to obtain, suppress or exclude any information or to challenge the execution of a request for Assistance under this MoU.

5. As the provisions of this MoU are not legally binding on the Authorities, they may not give rise to any legal claim by, on behalf of or against an Authority or any third party in the course of their practical implications.

6. The Authorities represent that they do not have the power under the Laws and Regulations in their respective jurisdictions to interfere with the content of credit ratings and credit rating methodologies.

7. Where a request for Assistance is denied or not permitted under domestic law, the Requested Authority will provide the reasons for not granting the Cooperation and consult pursuant to Article 9.

**Article 3 – Scope**

1. The Authorities will, within the framework of this MoU provide each other with the fullest cooperation permissible to supervise Cross Border CRAs and enforce compliance with the relevant Laws and Regulations. Cooperation may be denied:
(a) where the Cooperation would require an Authority to act in a manner that would violate domestic law;
(b) where a request for Assistance is not made in accordance with Article 7 or 8;
(c) on grounds of public interest or essential national interest; and
(d) where the information to be disclosed is not subject to guarantees of professional secrecy.

2. The Authorities recognise and agree that the need to cooperate with each other under the terms of this MoU in discharging their legal responsibilities in respect of CRAs may be triggered by a number of different events including requests for Assistance and may arise at any time.

3. Although it is not possible to set out an exhaustive list of what the events that may trigger the need for Cooperation may be or when the need to cooperate may arise, it is anticipated that the need for Cooperation will at least arise in the following circumstances:

(a) the initial application for recognition, authorisation or registration by a CRA also operating in another Authority's jurisdiction (Article 4);
(b) the ongoing supervision of Cross Border CRAs (Article 5);
(c) the assessment of the need to take and the subsequent taking of supervisory or enforcement action against Cross Border CRAs (Article 6); and
(d) when an Authority requests Assistance (Articles 7 and 8).

Article 4 – Application of CRAs for Recognition, Authorisation, or Registration

1. When a CRA applies for a recognition, authorisation, or registration with an Authority (the "notifying Authority"), and the Authority considers that the CRA could be a Cross Border CRA, the Authority will accordingly notify the other Authority (the "notified Authority") about the status of the CRA's recognition, authorisation, or registration and will provide it with the information regarding the CRA's cross border operations.

2. Following the initial sharing of information, the Authorities will consult with each other regarding whether or not they consider this CRA to be a Cross Border CRA and if it is regarded as such, add it to the list of Cross Border CRAs in Appendix B.

3. The Authorities will cooperate with each other in order to enable a full assessment of the Cross Border CRA's application for recognition, authorisation or registration. Such cooperation may take a number of different forms, but will without an additional separate request in any event include the provision of the information listed in paragraph 4.

4. The notified Authority will, within a reasonable timeframe, subject to availability and to the provisions of this MoU, provide where required to the notifying Authority the following:

(a) information and documents held on file regarding the following:

(d) The relevant Laws and Regulations under which the notified Authority has recognised, authorised or registered the Cross Border CRA and under which supervision may be conducted, together with an English translation of such Laws and Regulations.

(g) sharing information about the high level approach adopted by an Authority to the supervision of Cross Border CRAs and notification of changes by the Authority of its approach; and

(h) prompt notification by an Authority in respect of any action that it may take against a Cross Border CRA that may have a direct impact on such CRA’s eligibility for continued recognition, registration or authorisation or its ability to continue to meet its ongoing obligations in the jurisdiction of the other Authority, including the actions set out in Article 6(2).

3. The Authorities may agree on a bilateral basis to add to those areas not covered by Article 5(2) that trigger Cooperation without an additional separate request between the Authorities.

Article 6 – Supervisory or Enforcement Actions against Cross Border Credit Rating Agencies
