## Notes

<sup>1</sup> Banco de Portugal is the authority responsible for the supervision of structured deposits in Portugal.

Article 16(3) of the ESMA Regulation requires national competent authorities to inform ESMA whether they comply or intend to comply with each guideline or recommendation ESMA issues that applies to them within two months of the guideline or recommendation being issued. If a competent authority does not comply or does not intend to comply it must inform ESMA of the reasons. ESMA decide on a case by case basis whether to publish these reasons.

For further information on the current position of any competent authority, please contact that competent authority. Contact details can be obtained from the ESMA website ([www.esma.europa.eu](http://www.esma.europa.eu)).
