

## List of third-country markets considered as equivalent to a regulated market in the Union for the purposes of the definition of OTC derivatives

The markets established in a third country and listed below have been considered as equivalent to a regulated market in the Union in accordance with Article 2a of Regulation (EU) No 648/2012 of the European Parliament and of the Council of 4 July 2012 on OTC derivatives, central counterparties and trade repositories (EMIR) and for the purposes of Article 2(7) of this Regulation.

The table below is published by ESMA in accordance with Article 2a(3) of EMIR. Its aim is to facilitate access to the relevant information for the purpose of the OTC derivative definition under EMIR; whereas, from a legal perspective, stakeholders are invited to refer to the various Regulations covering markets established in a third country for the details on the applicable regime.
