1. Adoption of agenda Decision

Decision: The agenda was adopted.

2. Confirmation of absence of conflict of interests Decision

Decision: The Board endorsed the Interim Chair's statement to have received an indication of a conflict of interest by:

- Thorsten Pöttsch (DE) and Robert Ophèle (FR) for agenda item 6 on the exemption from the clearing obligation for pension scheme arrangements. They will abstain from participating in the discussion and the decision on the item; and
- Robert Ophèle (FR) for agenda item 10 on the Autorité des marchés financiers (AMF)'s accepted market practice on liquidity contracts. He will abstain from participating in the discussion and the decision on the item.

3. Report by ESMA Interim Chair, Executive Director and Chair of the CCP Supervisory Committee Oral Discussion

The Interim Chair reported on the:

- May 2021 Management Board meeting, in particular its discussion of ESMA's working arrangements after COVID-19 and its approval of ESMA's 2020 Annual Report and the 2021 CCP Peer Review mandate;
- Securities and Markets Stakeholder Group (SMSG)'s recent meetings, in particular its joint meeting with the Board of Supervisors, as well as the group's finalisation of two pieces of advice, respectively on appropriateness and execution-only, and on taxonomy-related disclosures;
- Activities of the European Systemic Risk Board (ESRB), in particular its discussions of systemic vulnerabilities in money market funds and of the macroprudential implications arising from low interest rate environments;
- Interactions with the European Parliament, in particular the receipt of ESMA's 2019 Discharge Report; and
- Activities of the Joint Committee, in particular the indication by the European Commission Services that it would not be able to adopt the draft regulatory technical standards on packaged retail investment and insurance-based products (PRIIPs) on time, proposing to delay the application of the

regulatory technical standards by six months to 1 July 2022 and to prolong the temporary arrangement for retail investment funds (UCITS and AIFs marketed to retail investors that produce a UCITS KII under national law) in the PRIIPs regulation by six months to 30 June 2022.

The Executive Director reported on the:

- April and May 2021 Financial Services Committee (FSC), in particular on the ongoing work on vulnerabilities in commercial real estate markets and on the European Commission's upcoming anti-money laundering (AML) legislative proposals and non-performing loans (NPL) Action Plans;
- Continued impact of COVID-19 on ESMA's activities, in particular the fact that teleworking remains the rule for ESMA staff and that all meetings continue to be held virtually;
- ESMA's international activities, in particular IOSCO's recent Board meeting, where the enhancement of Money Market Funds (MMF) resilience was discussed, as well as ongoing work on sustainable ratings and data providers;
- Recent approval by the Working Group on Euro Risk-Free Rates of final recommendations on the Euro Interbank Offered Rate (EURIBOR) fallback provisions, and the ongoing finalisation of the Joint Statement on the discontinuation of the London Interbank Offered Rate (LIBOR); and
- Ongoing work towards the replacement of the Euro Overnight Index Average (EONIA) and LIBOR by new risk-free rates and the upcoming launch of a consultation to amend technical standards to update the trading and clearing obligations accordingly.

4. Capital Markets Union – SMEs

- | | |
|--|-------------|
| 1) Presentation | Discussion |
| 2) European Commission Technical Expert Stakeholder Group on SMEs Report | Information |

The Head of the Governance and External Affairs Department presented ESMA staff's considerations in relation to the European Commission's Technical Expert Stakeholder Group on small-and-medium-sized-enterprises (SMEs) (TESG)'s Report on the facilitation of SME access to capital markets.

The Board discussed the presentation, in particular the:

- Upcoming finalisation of the report by the TESG and ESMA's potential response in light of its investor protection mandate; and
- Important role of prospectuses in accessing capital markets and how to strengthen corporate governance and sustainability requirements whilst limiting the size of prospectuses and not disproportionately burdening SMEs.

Conclusion: The Board discussed the presentation and agreed to re-consider the issue once the TESG Report is published.

5. ESA Review

- | | |
|--------------------------------------|------------|
| 1) Presentation | Discussion |
| 2) Letter to the European Commission | Decision |

The Head of the Governance and External Affairs Department presented ESMA's letter to the European Commission in response to its European Supervisory Authorities (ESAs)' Review targeted consultation on the supervisory convergence and the single rulebook.

The Board discussed the presentation, in particular the:

- Importance of promoting supervisory convergence and the resources impact on both national competent authorities and ESMA in that respect; and

- Increasing importance of data for securities markets regulators, and the need to conduct analysis on the costs and benefits of data centralisation.

Decision: The Board discussed the letter and agreed to include a reference to the need for further cost-benefit analysis on data centralisation and to the national competent authorities' resource constraints when it comes to supervisory convergence efforts. The Board agreed to run a written procedure to agree on the final letter following these amendments.

6. Exemption from the clearing obligation for Pension Scheme Arrangements

- | | |
|-----------------|------------|
| 1) Presentation | Discussion |
| 2) Note | Decision |

The Head of the Markets and Data Reporting Department presented the issue relating to the exemption from the clearing obligation for pension scheme arrangements.

The Board discussed the issue, in particular the:

- Fact that ESMA may respond to questions that relate to the practical application or implementation of European Union law, while it must forward to the Commission those that require the interpretation of Union law; and
- Scope and application of ESMA's conflict of interest policy.

Conclusion: The Board took note of the issues around the exemption from the clearing obligation for pension scheme arrangements and agreed to decide on the next steps by written procedure.
