

Call for expressions of interest:

Consultative Working Group of the ESMA Post Trading Standing Committee

Background

1. The European Securities and Markets Authority (ESMA) contributes to investor protection, orderly markets and financial stability through assessing risks to markets and financial stability, completing a single rulebook for EU financial markets, promoting supervisory convergence and the strengthening of common supervisory approaches and practices across Member States in the area of post trading. The Post Trading Standing Committee (PTSC) plays a key role in ESMA's work in this area.
2. The previous term of the current Consultative Working Group (CWG) for the PTSC has now expired. Therefore, ESMA is today launching the process to renew the composition of the PTSC CWG. In accordance with the "Procedures for ESMA groups", the selection of CWG members is based on an open call for candidates, which is published on the ESMA website. The relevant extracts of those Procedures for CWGs are set out in the Appendix.
3. Members of the CWG will be individuals appointed to represent, in balanced proportions to the extent possible, the relevant areas of expertise in the field of European post trading. ESMA is calling for expressions of interest from stakeholders to become a member of the PTSC CWG by 8 March 2021.

The PTSC

4. The PTSC undertakes ESMA's work relating to post-trading, focusing on the one hand on clearing and risk mitigation requirements for financial and non-financial counterparties entering into OTC derivative contracts as well as the related post trading services, and on the other hand on settlement as well as on requirements applying to CSDs as financial market infrastructures. In comparison to the time of the previous call for candidates for the PTSC CWG, it should be noted that the ESMA Board of Supervisors has since established other Standing Committees to deal with responsibilities and tasks related to CCPs, Trade Repositories and trade reporting, so these responsibilities and tasks are not in the scope of activity of the PTSC, although there are topics where some coordination between these Standing Committees and the PTSC can take place. The PTSC also provides a forum for national competent authorities to exchange experiences and views on the implementation or compliance with post trading related regulations and certain related supervisory issues or cases.

5. The PTSC contributes to ESMA's role in the achievement of a single rulebook through the development of technical advice to the European Commission and the preparation of technical standards and policy reports on post-trading matters, in particular under CSDR and EMIR. In addition, the PTSC has an important role in building a common supervisory culture by fostering convergent supervisory approaches and practices, such as through the development of guidelines, recommendations, opinions and Q&As. Furthermore, the PTSC is also responsible for developing ESMA's policy and coordination role of supervisors of CSDs participating in TARGET2-Securities.

Description of the main CWG tasks

6. As set out in the Appendix, CWG members are expected to provide technical assistance to the PTSC in relation to all aspects of its work. In order to do this, the CWG may be called upon to provide input at all stages of the policy formulation process.

Terms of appointment

7. CWG members are selected for a renewable term of three (3) years.
8. CWG members are appointed on a personal basis and are strictly bound by confidentiality requirements in relation to all non-public information they are provided with while performing their tasks in relation to their capacity as CWG members. ESMA reserves the right to exclude at any time from the CWG those members who breach the terms of reference contained in the annex in a serious manner, particularly when it comes to a minimum level of attendance, breaches of confidentiality or misrepresentation of their status of CWG members (points 3.B.iv, 3.B.v and 6 of Annex 1).

Selection criteria

9. This call for expressions of interest is open to persons representing any organisation that plays an important role for financial markets in any part of the European Union (EU).
10. The CWG, which should not exceed 18 members in total, will be composed of individuals with relevant areas of expertise in the field of post trading.
11. While primarily focusing on the qualifications of the members in terms of knowledge and experience during its selection, ESMA will endeavour to achieve, to the extent possible, an appropriate geographical and gender balance, and representation of all relevant stakeholders across the EU affected by the work of ESMA in the area of post trading. In particular, ESMA will be seeking to ensure a balanced representation of the following types of stakeholder:
 - representatives of consumer associations, non-governmental organisations and retail investor associations;

15. Applicants not selected may be included on a list of experts, with the possibility of being invited to become CWG members at a later stage.

16. ESMA's Executive Director, in consultation with the Head of the Markets and Data Reporting Department and the Chair of the PTSC, will make the final selection of CWG members.

Place of provision of services

17. The CWG would normally meet twice a year, and meetings are expected to take place at ESMA's premises in Paris or through video conference. CWG members are strongly encouraged to attend all meetings organised by ESMA. Periodic interactions, e.g. through conference calls with members of the PTSC are also anticipated.

II. EXTERNAL CONSULTATIVE WORKING GROUPS

1. ESMA groups reporting to the Board of Supervisors may establish Consultative Working Groups (CWGs) in order to benefit from the expertise of market participants who are specialised in the specific area for which the group is responsible. The purpose of CWGs is to provide advice to the ESMA group during the course of developing a policy line in relation to specific technical matters, or to give a view on specific aspects of the proposals. The role and responsibilities of CWGs are without prejudice to those of the Securities and Markets Stakeholder Group.
2. CWG members are selected following an open call for candidates published on the ESMA website, including advice from members of the Board of Supervisors and the Standing Committee, with a final selection being made by the Executive Director in consultation with the relevant Head of Division/Unit of ESMA and the Chair of the relevant group. CWG members are appointed on a personal basis. Members of the CWG may be removed upon decision of the Executive Director in consultation with the Chair of the relevant group.
3. Terms of reference of CWGs are given in Annex 1.

Annex 1

These Terms of Reference are without prejudice to the role and responsibilities of the Securities and Markets Stakeholder Group.

The group is formed under the terms of ESMA's Public Statement on Consultation Practices (ESMA/2011/11). The CWG should be composed of market participants, consumers and end-users. Members of the CWG are selected according to the procedure set out in Section II of the Procedures for ESMA groups. The composition of the CWG is made public.
