\*The EEA States other than the Member States of the European Union are not currently required to notify their compliance with the ESMA Guidelines. This table is based on information provided from those EEA States on a voluntary basis.

\*\* Please note that, in the interest of transparency, if a competent authority continues to intend to comply after the application date, it will be considered “non-compliant” unless (A) the Guidelines relate to a type of institution or instruments which do not currently exist in the jurisdiction concerned; or (B) legislative or regulatory proceedings have been initiated to bring any national measures necessary to comply with the Guidelines in force in the jurisdiction concerned.

\*\*\* The United Kingdom formally left the EU on 31 January 2020, following which the withdrawal agreement entered into force. The withdrawal agreement marked the start of a transition period which lasted until 31 December 2020, whereby the UK was no longer an EU Member State but EU law continued to apply to it. The compliance status recorded in this table for the competent authorities of the United Kingdom and the European territories for whose external relations it is responsible under Article 355(3) TFEU (Gibraltar) therefore reflects their compliance status as at 31 December 2020 and is retained for the purpose of historical information. Please note that, from 1 January 2021, EU law no longer applies to those competent authorities.

## Notes

Article 16(3) of Regulation (EU) No 1095/2010 (the ESMA Regulation) requires national competent authorities to inform us whether they comply or intend to comply with each Guideline or recommendation we issue. If a competent authority does not comply or does not intend to comply it must inform us of the reasons. We decide on a case by case basis whether to publish reasons.
