

Call for expressions of interest:

Consultative Working Group of the ESMA Post Trading Standing Committee

Introduction

The European Securities and Markets Authority (ESMA) today launches a process to renew the composition of the Consultative Working Group (CWG) of the ESMA Post-Trading Standing Committee (PTSC). ESMA is therefore calling for expressions of interest from stakeholders to become a member of the CWG by **31 July 2017**.

Members of the CWG, which should not exceed 18 in total, will be individuals appointed to represent in balanced proportions to as wide a degree as possible relevant areas of expertise in European post-trading.

This call for expressions of interest is open to suitable candidates from any part of the EU.

In accordance with the “Procedures for ESMA groups”, the selection of CWG members is based on an open call for candidates, which is published on the ESMA website.

The PTSC

The PTSC undertakes ESMA’s work relating to post-trading, including in relation to the roles of financial market infrastructures and any other entities providing post-trading services.

Specifically, the PTSC contributes to fostering supervisory convergence among the national authorities in post-trading matters, by developing guidelines, opinions, Q&As, peer reviews and by determining common supervisory actions.

Moreover, the PTSC also plays an important role in the achievement of a single rulebook through the development of technical advice to the European Commission and the preparation of technical standards on post-trading matters, in particular under CSDR, EMIR and SFTR.

Furthermore, the PTSC is also responsible for developing ESMA’s policy and coordination role of supervisors of CSDs participating in TARGET2-Securities.

The Consultative Working Groups (CWG)¹

An ESMA standing committee can use the specific expertise of a range of market participants who specialise in the specific area or work stream that the group has been tasked to work on. The purpose of these groups is to provide informal advice during the course of developing a policy line in relation to specific technical matters, or to give a view on specific aspects of the proposals. These groups are also used as a sounding board for work plans. These members are requested to provide expertise and not advocacy for specific national or institutional positions. Members of the CWG are appointed and participate in their personal capacity. The composition of the CWG is made public through ESMA's website. Members of the CWG are selected for a term of 2 years and are renewable. The advice that ESMA submits to the European Commission will be under the authority of ESMA and will, in no way imply the agreement of the CWG.

Description of main CWG tasks

The CWG is mainly expected to:

- advise and assist the PTSC on elaborating advice to be submitted to the European Commission as well as on technical standards and guidelines and recommendations in relation to EMIR, CSDR, SFTR or any new EU legislation related to post-trading (possibly the EMIR Review or a CCP Recovery and Resolution Regulation); and
- advise and assist the PTSC in assessing the potential impact of proposed technical standards, guidelines and recommendations, as well as in assessing some issues faced in the context of their implementation.
- advise and assist the PTSC in discussions on matters of supervisory convergence.

Selection criteria

This call for expressions of interest is open to relevant individuals holding the nationality of a Member State of the European Union (EU).

ESMA will be seeking to ensure representation of the following types of stakeholders as much as possible:

- retail investors/consumer representatives (representatives of retail investors/consumer protection organisations active in the post-trading area);
- users of post-trading services (e.g. asset managers, non-financial counterparties, issuers);

¹ ESMA/2011/11. Public Statement of Consultation Practices. 11 January 2011.
https://www.esma.europa.eu/sites/default/files/library/2015/11/2011_11.pdf

- post-trading market infrastructure providers (CCP, CSD, TR, registrars);
- custodians, clearing members and providers of ancillary services;
- academics with a proven track-record on post-trading matters.

ESMA wishes to particularly encourage representatives of consumer associations, non-governmental organisations and retail investor associations to apply.

To ensure membership diversity, applicants may only apply under one of the five categories listed above, even if more than one might be relevant (e.g. a stakeholder from a custodian that is also an issuer needs to indicate whether it applies in its capacity of user (issuer) or custodian).

ESMA shall assess the eligibility of individual candidates against the following criteria:

- a minimum 4 years of relevant professional experience in the financial services sector related to post-trading will be required for those representing market infrastructures and financial institutions;
- for other representatives, such as consumers or representatives of retail investors as well as academics, 4 years of experience relevant to the market infrastructures and financial services fields will be required.

Selection process

Members of the CWG will be qualified individuals selected by ESMA on the basis of their expertise in the areas covered by the PTSC and taking account of the different nature of the stakeholders affected by the work of the PTSC.

When making the selection an appropriate geographical and gender balance and representation of stakeholders across the Union, to the extent possible, shall be ensured.

Applications will only be accepted from individuals in their personal capacity. Only the persons selected will be admitted to the CWG. Neither alternates nor substitutions will be permitted throughout the full duration of the appointment, or during possible renewals.

Applicants not selected may be included on a list of experts, with the possibility of being invited to become CWG members at a later stage.

ESMA's Executive Director, in consultation with the Head of the ESMA Post Trading Unit and the Chair of the PTSC, will make the final selection of the CWG members.

Members of the CWG are bound by confidentiality requirements in relation to all non-public information they are provided with, while performing their tasks.

ESMA reserves the right to exclude at any time from the CWG those members who breach the terms of reference contained in the annex in a serious manner, particularly when it comes to a minimum level of attendance, breaches of confidentiality or misrepresentation of their status of CWG members (points 3.B.iv, 3.B.v and 6 of the Annex 1).

Place of provision of services

The CWG would normally meet twice a year and meetings are expected to take place at ESMA premises in Paris or occasionally at premises of national competent authorities. The meetings will be organised by ESMA.

Travel expenses, compensation

As a general rule, CWG members are expected to meet their own travel expenses. A compensation for services as a CWG member is not being paid.

However, members representing consumer protection or non-governmental associations, retail investors and academics can be eligible for reimbursement of travel expenses and the payment of a daily allowance in accordance with ESMA policy.

Current CWG members can be renewed, but any current CWG member interested in being considered for renewal needs to re-apply through the above process and will be considered at the same time as the other candidates against the same criteria and objectives described in this document.

Successful applicants will be informed in due course following the conclusion of the application process.

ESMA will publish the composition of the Group on its website.

II. EXTERNAL CONSULTATIVE WORKING GROUPS

1. ESMA groups reporting to the Board of Supervisors may establish Consultative Working Groups (CWGs) in order to benefit from the expertise of market participants who are specialised in the specific area for which the group is responsible. The purpose of CWGs is to provide advice to the ESMA group during the course of developing a policy line in relation to specific technical matters, or to give a view on specific aspects of the proposals. The role and responsibilities of CWGs are without prejudice to those of the Securities and Markets Stakeholder Group.
2. CWG members are selected following an open call for candidates published on the ESMA website, including advice from members of the Board of Supervisors and the Standing Committee, with a final selection being made by the Executive Director in consultation with the relevant Head of Division/Unit of ESMA and the Chair of the relevant group. CWG members are appointed on a personal basis. Members of the CWG may be removed upon decision of the Executive Director in consultation with the Chair of the relevant group.
3. Terms of reference of CWGs are given in Annex 1.

Annex 1

These Terms of Reference are without prejudice to the role and responsibilities of the Securities and Markets Stakeholder Group.

The group is formed under the terms of ESMA's Public Statement on Consultation Practices (ESMA/2011/11). The CWG should be composed of market participants, consumers and end-users. Members of the CWG are selected according to the procedure set out in Section II of the Procedures for ESMA groups. The composition of the CWG is made public.
2. In meeting the above purpose, the group may be called upon to provide input at all stages of the policy formulation process.
