

EuroABS Limited Input – ESMA Consultation ‘Guidelines on securitisation repository data completeness and consistency thresholds’

European Securities and Markets Authority
201-203 Rue de Bercy
CS 80910
75589 Paris Cedex 12

16 March 2020

Dear ESMA,

I would like to make the following comments on behalf of EuroABS in relation to the consultation ‘Guidelines on securitisation repository data completeness and consistency thresholds’;

- as AFME members we broadly agree with their response
- we consider that this matter, in general, is one for issuers and regulators to resolve and
- as a prospective securitisation repository, we will implement whatever is finally decided

Yours sincerely

For and on behalf of
EUROABS LIMITED
