**Subject: Corrigendum to Commission Decision C(2021)4858 final of 6 July 2021 on the adoption of the answers to be provided to questions submitted by the European Supervisory Authorities (ESAs) under Article 16b(5) of the founding Regulations of the ESAs**

Dear Ms Ross, Dear Mr Campa, Dear Ms Hielkema,

Please be informed that the Commission has adopted a corrigendum concerning Commission Decision C(2021)4858 final of 6 July 2021 on the adoption of the answers to be provided to questions submitted by the European Supervisory Authorities under Article 16b(5) of Regulation (EU) No 1093/2010, Regulation (EU) No 1094/2010, Regulation (EU) No 1095/2010 of the European Parliament and of the Council in the period from 1 January 2021 to 30 January 2021.

Two of the answers provided in the above-mentioned Commission Decision, relating to Regulation (EU) 2019/2088, had been paired with the wrong questions. The corrigendum rectifies that error and ensures that each answer is matched with the right question.

I would be grateful if your services could publish the corrigendum of these answers on the website of the Joint Committee of the European Supervisory Authorities and the respective website of ESMA, EBA and EIOPA, in order to replace the initial text. In that context, I would also invite you to draw the attention of the readers of these questions to the following, by means of an appropriate disclaimer:

*The answers clarify provisions already contained in the applicable legislation. They do not extend in any way the rights and obligations deriving from such legislation nor do they introduce any additional requirements for the concerned operators and competent authorities. The answers are merely intended to assist natural or legal persons, including competent authorities and Union institutions and bodies in clarifying the application or implementation of the relevant legal provisions. Only the Court of Justice of the European Union is competent to authoritatively interpret Union law. The views expressed in the internal Commission Decision cannot prejudge the position that the European Commission might take before the Union and national courts.*

Thank you for your cooperation on this important matter.

Yours sincerely,

(e-signed)  
John BERRIGAN
